EXPERIENCE

Katie Bush Design – Louisville, Kentucky **Senior Graphic/UI/UX Designer: April 2018 – Present**

Deliver creative solutions, brands, websites, presentations and event collateral for venture capital and tech startup clients in Silicon Valley.

Freelance Graphic/UI/UX Designer – Louisville, Kentucky **January 2015 – Present**

I do projects for various clients in the Lexington area, including McBrayer Digital, BORN Branding Agency and Lúnasa Events.

Sleep Outfitters – Lexington, Kentucky **Graphic/UI/UX Designer: December 2016 – March 2018**

I worked within the marketing team creating and updating branded collateral. I headed up the team responsible for rolling out a new web presence, along with refreshing our entire brand to be more competitive.

Big Ass Fans – Lexington, Kentucky **Graphic Designer: April 2016 – October 2016**

I worked within a multi-disciplinary marketing team to create all the branded collateral that a multi-million dollar startup company requires.

Rafting in the Smokies – Hartford, Tennessee **Whitewater River Guide: Summers 2011, 2012 & 2013**

Led guests on rafting adventures down the class III/IV Upper Pigeon River, responsible for guest safety, provided first-aid and emergency management, told many bad jokes.

EDUCATION

Murray State University – Murray, Kentucky **January 2012 – December 2013**

Post-Baccalaureate studies in Graphic Design & Art History

University of Kentucky – Lexington, Kentucky **August 2006 – May 2010**

Bachelor of Arts Degree in Journalism & Studio Art
